

FRIENDS OF WABAKIMI

RETAIL MAIL ORDER FORM

Wabakimi Canoe Route Maps are the product of over a decade of volunteer reconnaissance expeditions in the Wabakimi Area by volunteers of The Wabakimi Project. They are designed to encourage eco-tourism and to help visitors safely plan and successfully mount self-directed canoe trips in the Wabakimi Area. Proceeds from the sale of these maps will be used to underwrite efforts by Friends of Wabakimi to explore, rehabilitate and document canoe routes in the Wabakimi Area and to monitor the condition of those already established.
